Welcome to the Second Century of Lionism!

The 101st International Convention in Las Vegas has come to an end and Milan, Italy, will be the next stop. If you haven't been to Las Vegas lately, you will be amazed at the grandeur of the hotels and the atmosphere. The MGM Grand was filled with Lions from all over the world and 1F was well represented. Until you attend an International Convention, you don't realize you really are a part of a worldwide organization.

District Governor-Elect School was a great experience that I shared with my counterparts from Illinois, Iceland, Ireland, England, Cyprus and The Netherlands. (31 of my new closest friends!) Fast forward to July 3rd when 742 of us took the oath of District Governor for 2018-2019. Aside from meeting Lions from many places, stepping up to leadership has been such a great experience. Meeting people from various leadership trainings is a fun experience; sharing stories and re-connecting since the last time we met. I look forward to the USA Canada Forum in Columbus, Ohio, where I will see many new Lion friends from around the country. It's a great opportunity for learning, with lots of seminars, service projects and things to keep a Lion even busier!

So, what's on tap for District 1F for the coming year? Service — my motto is "Lions have a Heart for Service." Through service we will be able to attract the public and show them we are what we say. Be sure Lions vests and shirts are being worn during your service projects; put up signs or banners. Take pictures for the newspaper, put them online, brag about the great works you do in your community. Get noticed! Do you need help? Pair up with other Lions Clubs in the District. Let me know about your projects and events; I will pitch in and "serve" as my schedule allows.

Yours in Service,

Lion Kathleen Marusich, *D1F Governor*

Campaign 100:
Lions Clubs International Foundation
Empowering Service

A WORLD IN NEED

Today,
253M
individuals are blind or visually impaired.

Each year, our planet experiences a
15%
increase in natural disasters.

Every day,
245
people die from measles.

Today,
2/3
of children report being the victim of bullying.

By 2040, nearly
650M
people are expected to be living with diabetes.

Each night, more than
800M
people go to bed hungry.

Every
2 mins
a child is diagnosed with cancer.

By 2025,
half the world's population will be living in water-stressed areas.

LIONS RESPOND

We see the effects of devastation every day. Many say the world's needs are too great. Many say there's nothing we can do. Lions say, "We Serve." We are Lions, 1.4+ million men and women strong. We are Leos, Alpha and Omega. We are Lions Clubs International Foundation, the only foundation to empower the service of Lions on a global scale. Together, we offer hope and impact lives.

We will continue our shared commitment through ***Campaign 100: LCIF Empowering Service***. Our foundation's **US$300 million** comprehensive capital campaign launches in July 2018. From there, it will span three years, but its impact will last generations. *Campaign 100* will enable us to serve more than 200 million people a year by 2021 and ensure Lions have resources needed to expand our global causes and impact.

INCREASE SERVICE IMPACT

Our foundation will expand our commitment to our communities, making an even greater global impact, with a focus on vision, youth, disaster relief and humanitarian causes.

Vision: We will lead the charge to rid the world of infectious blindness, reduce avoidable blindness and visual impairment, and improve overall quality of life by providing services to the blind or visually impaired.

Youth: We will serve youth through improved access to quality education, vital health services, inclusive social and recreational opportunities, and positive development programs.

Disaster Relief: We will deeply engage in disaster relief efforts and in preparing for, and responding to, natural disasters whenever and wherever they strike.

Humanitarian Causes: We will sponsor and deliver programs addressing the distinct needs of at-risk and vulnerable populations such as the elderly, the disabled, females, orphans and others disproportionately impacted by social and economic factors and requiring special services.

FIGHT DIABETES

Our foundation will reduce the prevalence of diabetes and improve the quality of life for those diagnosed.

Diabetes: We will play a major role in responding to the diabetes global epidemic. We will help prevent diabetes through multi-faceted, comprehensive health initiatives targeted at the communities in which we live and serve.

EXPAND OUR GLOBAL CAUSES

Our foundation will identify areas of greatest need and opportunity within the broad causes of hunger, childhood cancer and the environment; conduct pilot projects to develop expertise; and develop sustainable, long-term local and global programs.

Hunger: We will work toward a world in which no one goes hungry, expanding resources and infrastructure needed to address food shortages in our communities and around the world.

Childhood Cancer: We will strengthen medical and social services, increasing global life expectancy of children living with cancer, and enhancing the quality of life for them and their families.

Environment: We will protect the environmental health of our global communities, generating long-term, positive ecological impact.

OUR CALL TO ACTION

Over the past 100 years, we have proven that Lions united in service can transform millions of lives. As Lions, we serve proudly, empowered by our global foundation. Together, we will be able to serve more than 200 million people a year by 2021. Our goals are expansive and no individual Lion, club or district can take them on alone; but together, empowered by our global foundation, we can. Please support *Campaign 100*.

Why service reporting matters

Discover what can happen when you share your impact

Captivate and connect.

From a single pair of eyeglasses to a brand-new hospital for a large city, reporting shines a light on how—and where—local clubs are making a difference across the world. Clear, relevant service data ensures people in need know exactly where to go for help.

Increase global awareness.

Service data helps people understand the needs of communities around the world. Global-minded Lions identify opportunities and lead their local communities into action.

Pave the way to partnership.

Service reports provide tangible evidence to prospective partners of Lions International's global engagement and impact. These relationships strengthen the organization and yield benefits at the local level.

Uncover the next big idea.

Because service activities are scalable, one small service project can become the next signature initiative of the organization: but only if it is reported and promoted by Lions!

Enhance our support.

Service data—along with peer-to-peer sharing and feedback from Lions—enables Lions International to identify best practices that can be shared globally.

Build a brighter future.

Measurement leads to insight, which in turn sharpens our focus. Setting higher—and more reachable—goals each year both unifies and mobilizes the organization toward growth.

Increase our membership.

People want to participate in real, visible change. Service reporting allows Lions clubs to continually engage their communities, tell their story more effectively, and ultimately grow their member base.

Leverage our foundation.

Service reports show how Lions and Leos around the world are using funds from Lions Clubs International Foundation grants to serve their communities. This visibility encourages Lions to think creatively about their own projects and apply for LCIF grants themselves.

Recognize and reward.

When Lions report service, they become eligible for a number of service awards. From Centennial Service Challenge patches to Leo Awards, rewards recognize the hard work of Lions and motivate them to continue striving for excellence.

Go report your service!

Submit and track your impact through MyLion at lionsclubs.org.

LEADERSHIP DEVELOPMENT DIVISION

BE A LION LEADER

Lions Clubs International provides a variety of training and development opportunities for current and future Lion leaders who strive to enhance the quality of leadership in their clubs, districts, multiple districts and constitutional areas. Primary initiatives include:

Global Action Team – GLT

The Global Action Team – GLT operates in support of the Global Action Team by directing its efforts toward identifying and cultivating effective leaders through active training and development initiatives. As the driving force behind LCI's leadership development program, it is the responsibility of the GLT to enhance the quality of Lion leaders at all levels of our association in an effort to promote healthy clubs, increase member satisfaction, and ultimately to expand our capacity to provide relevant, needed service in our communities.

District Governors-elect Seminar

Each year, district governors-elect participate in the DGE Seminar. The objective is to motivate and enhance our incoming governors' leadership skills and promote the new international theme and primary priorities.

Lions Leadership Institutes

Emerging Lions Leadership Institute: The ELLI is designed to build the skills of Lions leaders to prepare them to assume leadership responsibilities at the club level.

Advanced Lions Leadership Institute: The ALLI focuses on building the skills of Lions leaders to better prepare them for leadership responsibilities at the zone, region and district levels.

Faculty Development Institute: The FDI is dedicated to the development of skilled Lions faculty for use in Lions training at all levels.

Faculty Development Excellence Series: This interactive, online webinar series supports the continued development of Faculty Development Institute graduates.

Regional Lions Leadership Institute: The RLLI program supports training institutes in multiple districts and single districts by providing funding and curriculum support.

Local Institutes: This program allows members of the Global Action Team – GLT to request curriculum and materials to organize and present an ELLI or ALLI locally with limited LCI oversight and involvement.

Lions Certified Instructor Program

The **Lions Certified Instructor Program (LCIP)** is a new program in which Lions can apply to become certified instructors in order to be eligible to serve as faculty at LCI-directed institutes, DGE seminar and other training related events. If you have any questions about the Lions Certified Instructor Program, please email: LCIP@lionsclubs.org

Lions Learning Center

The **Lions Learning Center** offers all Lions the opportunity to sharpen their knowledge of Lion fundamentals and leadership skills through online interactive courses.

Leadership Development Support

A variety of training packages and resources for use at all levels are available from LCI, including those designed for second vice district governors, zone chairpersons and club officers. Search for the tags "training" and "leadership development" in the new Resource Center of the Lions International website. Or contact your GLT representative for more information.
