PRESIDENT'S MESSAGE

Happy New Lion's Year to all! It's already August and we've been busy at work in our community. First, I would like to thank everyone who came out to help with the Vernon Hills Summer Celebration. We were busy the entire evening – checking ID's, selling tickets, making Mai Tai's and even helped serve a few beers! I would like to also thank my friends Shelly & Pat from the Lake Villa Lions club for coming to the rescue and working a shift.

A new Lion's year also brings dues notices. We've held the line there – so individual dues are \$95.00, our charter members (also lifetime) are \$56.00, for family units (The Frick's, Meline's & Moore's) are \$151.00. For your convenience these can be made payable in 2 installments – half now and the other half in January. Please give your check to the Treasurer as soon as possible. Our community service started off with our first blood drive back on July 9th. With the closing of the LifeSource office in Mundelein, our account rep thought it would be a great idea to have a July blood drive. So, we do what we do? Come together and make it happen! We collected 15 pints of blood. It might not sound like a lot but when you consider one pint of blood can save up to 3 lives – well we just helped 45 people! Good job everyone, thanks for helping out on a Saturday during a busy summer.

On Saturday, July 23rd, I was at Westfield Hawthorn to take part in the "Recycle-o-Rama" that was sponsored by the Village of Vernon Hills Park District & SWALCO. In the parking lot, there was a nice turn out for the electronics & paper recycling. Ask Tom Ritter how many pounds of electronics he lifted throughout the course of the day! Inside the mall, there were several displays regarding "Going Green". I met interesting people from various businesses & organizations that help make our homes green, our yards green, etc. Our brag board, along with several framed photos of eye glass & hearing aid recycling were displayed. Several pairs of eyeglasses & cases were collected along with a few cell phones. I have a few prospects for membership.

The 1st Annual Rib Fest is coming up on August 26 & 27th, at Big Bear Lake. We will be "serving" in the beer tent. I will have a signup sheet out at the August general meeting on the 17th. This is an important meeting as we need to approve the budget, have a few of you "installed" and go through a short program about serving & selling alcohol. I went through the full certification class on Sunday, July 31st and found it very informative.

Finally, the Circus is slated for September 16-18th and we need to get that promoted in the Community. I'm sure Lion Don aka the "ring master", will be planning a committee meeting soon. Please do whatever you can to help the success of this event.

I look forward to seeing you all at upcoming meetings & events.

Enjoy the rest of summer!

Lion Kathleen

CIRCUS IS COMING TO VERNON HILLS

Fall is coming and so is the Circus! Once again this September our Club, is sponsoring the Kelly Miller Circus. They will be performing new acts and for the first time will be in Vernon Hills for three days: Friday, Sept 16, at 4:30 & 7:30, Saturday, Sept 17 & Sunday, Sept. 18 at 2:30 and 4:30pm. Tents and attractions will be set up in the Hawthorne Mall parking lot near Sears with the tent raising is on Friday at 8:30am. This pre-show event is a great free show; the public is invited..

There will be elephants, horses and a cast of international circus stars under a beautiful circus big top. Enjoying a day at the circus means more than just old-fashioned family fun. This event is a fund-raiser for our Club and what has become our premier event... what we are becoming known for. Buying tickets in advance means the public can save money as well as support the Lions Club's year-round projects, including eye glasses and hearing aids for needy families.

Advance tickets will be sold at the Village Hall (M-F), at the Sullivan Center (M-S) and at a kiosk in Hawthorne Mall (weekends).
