Grayslake Lions Club

P. O. Box 201, Grayslake, IL 60030

PREZ SEZ: The Grayslake Lions Club had a very successful summer, if I do say so myself! And the club and its members are ready for a successful fall season as our year winds down with two major fund-raising events and the election and installation of officers for the coming year.

The Lions were not daunted by the horrendous storm in early July that forced cancellation of the July meeting because of the lack of power in the village (I was out for six days!) The Lions bounced back with a successful (and interesting) Lake County Fair, a fun trip aboard a boat on Lake Geneva that included a tour of a summer home (mansion) of a Chicago beer baron. We learned how the other half lived in the summer in the late 1800s. Thirteen club members and two guests enjoyed the perfect Sunday afternoon adventure, which was highlighted by some trying to find a place to park! The summer was topped off with our participation in the Grayslake Summer Days parade. The kids were waiting for us and our free candy.

Coming up is the well documented Steer Roast on Sept. 11. "All hands on deck," as the swabbies would say for this major fundraiser. Work assignments have been made and everyone has a job to do including doing the cleanup chores at the end of the day.

Help is also needed for the Candy Day fund-raising project which will be held Oct. 14. Lion Rich is in charge.

The nominating committee is meeting and selecting a slate of officers for the coming year. The nominees will be announced at both the September and October club meetings. Officers will be elected at the November meeting and installed at the annual Christmas party and installation dinner on Dec. 13 at State Bank of the Lakes.

Unfortunately, the Musical Interlude (my term) for the Sept. 13 meeting had to be canceled. Instead, club member, Scuba diver and photography instructor Lion Matt will present a program on underwater photography. It will be a Pat's. Yes, I said Pat's. Board meeting at 6 p.m. dinner at 7 p.m.

The Gagewood Lions Club is hosting the 3Gs meeting this year. It will be held the evening of Oct. 1. Details to be announced later. Because of this dinner, there will be no regular Grayslake Lions meeting in October, except that the officer nominees will be announced again at the 3Gs event.

Lion Rich reports that 28 members of the club worked at the Lake County Fair this year. Many of the volunteers worked multiple shifts. A total of 780 hours were volunteered for a total anticipated income from the fair association of \$5,846. A little more than 20 percent of the volunteers were non-club members.

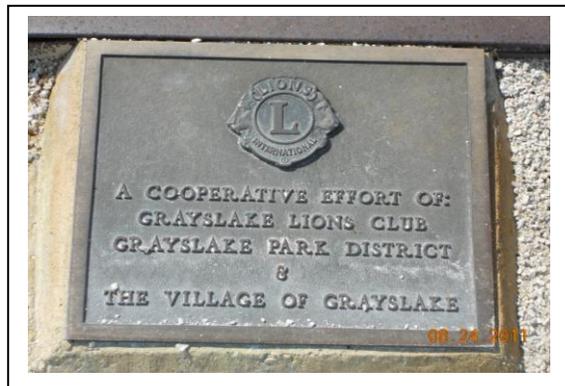

A friendly reminder for those of you who forgot, club dues are now past due. It's \$70.

Lions Club International reports that it has had its fourth straight year of membership increase. A spokesman said that while many volunteer organizations continue to see a decline in members, the 2010-11 year marks the first time in nearly 20 years that the Lions, the world's largest service club organization, has recorded four straight years of membership increase.

REMINDER: Saturday, August 27, 2011, is Grayslake Lions Club Day at Hainesville Firestone. If you need an oil change, this would be the day. Lion Joe and his brother Greg Kane donate \$10 to the club for every patron served.

Did you know?

In 2003, the Park District was strapped for funds. On Lion Terry Rockenbach's motion, your club contributed \$6,000 towards the purchase of a handicap-accessible fishing pier for Grays Lake. Not only that, Lions Terry, Steve S., and Trent traveled to the manufacturer in Wisconsin, loaded the pier on a trailer, brought the pier to Grayslake and installed it. It was rumored that this project and road trip also involved adult beverages. After the installation of the pier, a concerned citizen whose Lake view included the pier wrote a letter to the editor of the Grayslake Times, bemoaning the wasteful expenditure of tax payer money and the loss of property values for those whose view was now be-fouled. Thereafter, the pier became known as the **Lion Terry Rockenbach Memorial Pier**.

On a recent field trip, some Grayslake Lions and their guests traveled to Lake Geneva Wisconsin for a boat ride and mansion tour. The boat, a former USS Saratoga utility (liberty) boat, provided a panoramic view of about half of the Lake shoreline. You will note that Lion Marilyn appears unaccompanied.

Somebody had trouble finding a parking place, but the good Captain waited for the AWOL Lion. It was just TWENTY MINUTES!

Minutes: On motion by Lion Townsend, Lion Patterson seconding, the minutes of the June Board meeting were approved without change. (There was no Board meeting in July – a storm caused an extensive power loss that included Whitney's, the announced meeting place. Many Lions were without power up to four days.)

Our hours were also down because rain closed Gate 1 (North Gate) for three days. Thanks to all who worked.
