Getting Back to Basics

A message from our president,
Lion Mike Winheim

The New Year has started and we're off and running with all kinds of events scheduled.

- ◆ Lions Fishing is set for September 8th in the Harbor. The afternoon fishing outing will be followed by a Club Social Night and induction of new members. Volunteers are welcome. But we'd love to have you join us for the evening festivities.
- ◆ September 5th, we are going to be in the Jubilee Days parade with our newly formed Leo's. Our spot along the parade route will be announced soon.

Our focus for the year will be on Getting Back to Basics: learning the By-Laws, what we stand for and continuing our pledge of service and outreach to the community as a whole.

I want to encourage all inactive members to come and get involved. We are doing a lot of things this year and need 'all hands on deck'.

Come to our business meetings at Stone Creek. Attend one of our social night events. You can keep up with the latest news and Club updates on our Web site:

Congratulations to Lion Jack Whitmore who received an award for exceptional service to the Winthrop Harbor village. Pictured from left to right are Jack with his plaque and Trustee Marabella.

Thank you Lion Jeff Storey for a great year of service as our President!

Lion Sam Coan was honored with the Foundation Fellows Award. Congratulations, Sam!

Lion Chris Redic visiting the Lions International headquarters in Paris, France. A plus tard, Chris!

Hello fellow Lions,

I must admit, I was a little overwhelmed and unprepared to lead you as president, after being thrust into the leadership role so quickly. But as the year progressed, things seemed to run more smoothly.

Thanks to the tireless efforts of the activity chairs, as well as the club itself, club activities went great: Candy Days, Charter Night, The Christmas Party, Steak and Eggs, The Easter Egg Hunt, and the Rummage Sale, just to mention a few... I truly am grateful for the guidance and support of all club members this year.

Our most significant achievement as a club this year was to charter a new Leo club.

I am thrilled about the Leos. They will ensure our legacy and commitment to the community for many years to follow; and long after many of us are gone. We could not have ended up with a better group of community minded youths. We should all be extremely proud of this new club.

Many thanks to: Dacia, Brianna, Emily, Lesly, Nick, Lauren, Hannah, Mikalea, Joshua, Aleksandra, Becca, Dylan and Ryne. You are all outstanding youths and future leaders of our communities. I know your service projects will be a huge success. As a club, I think we should take the time to learn about all of the Leos and support them in any way possible.

On a more somber note, let's not forget those who are no longer with us. Jack A. and Karin H. will be truly missed. Please keep these fellow Lions in your thoughts and prayers.

Looking toward the future, we must continue to be a beacon of light throughout the community. We have a strong leadership team in place that will accomplish many good works for many years to come,

Once again, thank you for your participation, guidance and support throughout the year.

Your immediate past president in service

– Lion Jeff Storey

Lions Around the World

For nearly 100 years, our members have worked on projects aimed at preventing blindness, restoring eyesight and improving eye care for hundreds of millions of people worldwide. Lions volunteer to take part in sight projects that have:

- Provided nearly 8 million cataract surgeries.
- Saved the sight of more than 14 million children by providing eye screenings, glasses and other treatments through Sight for Kids.
- Prevented serious vision loss for more than 30 million people worldwide.
- Established or strengthened pediatric eye care centers that have helped more than 120 million children.
- Distributed more than 148 million treatments for river blindness.
- Vaccinated 41 million children in Africa against measles – a leading cause of childhood blindness.
- Improved eye care for 100 million people by training more than 650,000 eye care professionals and building 315 eye hospitals.
- Helped halt the spread of trachoma in Ethiopia by providing 10 million doses of the sight-saving drug azithromycin.

Since 1990, Lions have raised US\$415 million to help provide vision for all.
