**HAPPY BIRTHDAY LIONS**

**SMILE**

Who are the only people who listen to both sides during an argument between husband and wife? The neighbors

Oh my! You run to me just because you heard my song? Who said that? I thought you got hurt somehow

My wife and I were having a difference of opinion the other day. After about ten minutes, she turned to me and uttered "But darling, if I were to agree with what you say, then we would both be in the wrong".

Three blondes were stuck in the elevator taking turns to shout "Help, Help". One of them had an idea: What if we'd all shout simultaneously? And then they started taking turns to shout "Simultaneously, Simultaneously!"

"Daddy, I'd like to help and old man. Can I have some money? A dollar maybe two. "Well done my son! That is a very nice gesture! Here's 5 bucks. Now where is that poor man?" "He's down the street selling ice cream!"
