HAPPY BIRTHDAY LIONS

SMILE

After drinking, Men talk unnecessarily, Become emotional, Drive badly, Stop thinking, Fight for nothing. Women can do all these without drinking

A man and his wife were sitting in the living room discussing a "Living Will" "Just so you know, I never want to live in a vegetative state, dependent on some machine and fluids from a bottle. If that ever happens, just pull the plug." His wife got up, unplugged the TV and threw out all the beer.

The physician writing out a prescription for his hypertensive cardiac patient: "Diazepam 5mg (tranquilizer) TDS". The patient's wife asks, "Doctor, when are these medicines to be given?"

Doctor: "These are to be taken by you. He needs rest"
