### SMILE

There once was an old man who was about to die. He told his wife to put a bag of money in the attic "When I die I'll get it on my way up." chuckled the old man. Well when the old man died the wife went up to the attic and found that the bag of money was still there. "I knew I should have put that money in the cellar!" said the old woman.

There were two blondes, and they had just come from a store. The blonde that owned the mustang had locked her keys in the car. She was trying to pick the lock when she stopped to rest for a second. When she sat down, her friend said, "Hurry up, it's starting to rain and the top's down!"
