Two robins were lying on their backs, basking in the sun. A mama cat and her kitten were walking by. The kitten complained, "Mama, I'm sooo hungry, what can we eat? To which the mama cat, spying the two robins, replied, "How about some Baskin Robbins?"

During a recent password audit, it was found that a blonde was using the following password:

When asked why such a big password, she said that it had to be at least 8 characters long.

There was once a young man who, in his youth, professed his desire to become a great writer. When asked to define "Great" he said, "I want to write stuff that the whole world will read, stuff that people will react to on a truly emotional level, stuff that will make them scream, cry, howl in pain and anger!" He now works for Microsoft, writing error messages.

Travis and McGee met over a beer in the local pub. After a while the subject of sports came up. Travis asked McGee, "Do you play golf?" "Sure," said McGee, "I play well enough to know why they call it 'golf'." Puzzled, Travis asks, "Why do they call it 'golf'?"

"Because," replied McGee, "that's the only 4-letter word left!!"
