PREZ SEZ: Hello lions and summer is here and we have warm weather to enjoy. Congratulations to the four new members that have joined our club. One major event that is happening soon is the Lake County fair. Don't forget to sign up and mark it in your calendars. We will have a very interesting speaker at the next meeting. Her name is Abbie and she is raising a puppy for Leader dogs for the Blind. She attends Grayslake Central high school so it will be interesting to hear how the dog is doing. See everyone at the next meeting.

DUES ALERT: July is dues month in the Lions Universe. We are billed for both International and District/State dues for each of us, beginning July 1. The annual dues for Grayslake Lions Club membership is \$65.00 US and are due by the end of July. Thereafter, dues are \$70.00 US. Help Lion Cynthia out and pay your dues on time. It is a serious hassle to chase those who forget or those who wish to terminate their membership, but don't let us know.

LAKE COUNTY FAIR. If you blink, the Fair will be here. This is a significant fund-raiser for the Grayslake Lions Club and the money we earn for your effort gives the Club greater flexibility than most other clubs in District 1F. Since the money is NOT solicited from the public, the Board can spend it on club-related expenses generally and is not limited to activities that are sight or hearing-impaired or community projects. Lion Rich Walters manages the schedule and he will be back after the 4th of July. In the interim, Lion Jim Rockwell has the schedule so call or email him to schedule. For new members, selling tickets is not rocket science, it gives one a unique opportunity to observe the public, and it affords some quality social time with Lions, their friends and their families. The schedule will be at the July meeting, too. So sign up early and often. Friends and family **are** invited!

Congratulations to the Oasis fund-raising team. From left to right, Lions Jarvis, Revelle, Walters, Powell, Frank, Walters (M), Dorfler, and Co-Chairpersons Dietz and Kane. As deep background, when the Club decided to end Christmas basket delivery with the high school students and, instead, support the food bank directly, there was concern that we would lose contact with village young people and they would lose exposure to what we Lions do. The effort of supporting the teen center motorcycle fund raiser by providing breakfast was a way to address both concerns. Well done!
