Just a Thought ... by Lion Rod Marino, Tail Twister

Take Off Your Hats and Listen to Those Sounds

The Elk Grove Lions Club September dinner meeting was designated as "Hat Day." For the first time in recent memory, every Lion complied with the Tail Twister's request that all members attend the meeting wearing a hat. Congratulations to everyone who was involved.

After dinner the Lions sang "Happy Birthday" to our three September babies: Lion Barb, Lion Gerri, and Lion Russ. Then it was time for a fundraising activity.

All members in attendance participated in a trivia contest featuring audio soundbites of presidents, athletes, and other famous people, as well as audio clips of television programs and commercials. In a close battle for soundbite supremacy, Lion Mike squeaked out a 1-point victory over Lions "Vegas" Carol and Gerri. Lion Mike generously donated his winnings to the cause. Thank you, Lion Mike! You're a class act. Thank you also to all the other members for attending. I hope you had a good time.

October 2015

2015-2016 President Wayne Deasy

Fall is finally here which means the start of our Pies for Eyes fundraising event. The committee is still finalizing the hours and location where people will be able to pick up their pre-ordered pies but we know for sure that the pickup date will be Tuesday, November 24.

We will have the location and hours for pickup finalized so we can start taking orders now. The order form will be similar to the Girl Scout cookie order form so it will be very easy to fill out. I think this could be a huge fundraiser for us this year!

The date for our annual Trivia Night has been set for Saturday, February 27 in the Garden Terrace Room at the Elk Grove Pavillon.

Remember the Fall BBQ Lion Marilyn and myself are hosting on Saturday, October 10 at our house. If you are planning on attending please RSVP as we need to give a head-count to the caterer approximately a week before the BBQ to make sure we have enough food. Pray for good weather!

Remember, the special dinner at our house takes the place of the regular Dinner Meeting at Jimmy's Charhouse.

Glasses, Hearing Aids & S&S Update

We received a request for glasses from an Elk Grove resident this past week; the committee is looking into eligibility and will then approve it. While at the Farmers Market, we received several pairs of eyeglasses for recycle. During the recent Elk Grove Village Village Board meeting, one of the attendees approached the group of our Lions and wanted to find out how his parishioners could help the Lions and asked if he could put an eyeglass collection box up in his church. We will follow-up on this site. Lions: if you have not recently checked your eyeglass collection boxes, please do so this month. I know that some Lions would like to take a trip to Dekalb to deliver the glasses, flip tops, keys, print cartridges and anything else we collected.

ROD MARINO

- How long have I been a Lion?** My wife Diana and I have been Lions for about 3 years. Our good friend Angie Foster invited and sponsored us.
- What has been the most rewarding about being an Elk Grove Lion?** Besides making new friends in our Elk Grove Lions family, I really enjoy seeing those smiles on the faces of the children when I am dressed as Louie the Lion.
- My all-time favorite movie was *Ben-Hur*.**
- The last book I read was I love biographies;** I believe the last one that I read was about George Washington.
- If I was stranded on a desert island, who would I want to be with me?** I didn't even have to think about this question. Who else but my lovely wife, Diana?
- Where would I like to travel, but have not been there?** Italy (although, I'd love to see the boyhood home and town of Frank Sinatra in Hoboken, New Jersey).
- What is something no one knows about me?** I thank God every day for sending Diana my way. She is my inspiration.

Caramel Pecan Silk Supreme	French Silk	Lemon Meringue	Pecan	Coconut Cream	Pumpkin with Whipped Cream	French Apple Cheese
Built layer upon layer starting with caramel and pecan, then a supreme filling, a layer of delicious French Silk and topped with whipped cream, chocolate sauce, caramel, and pecans.	Velvety smooth chocolate silk covered with whipped cream and delicately finished with chocolate curls on top.	Whipped and baked egg whites are toasted to golden brown to make the light, fluffy meringue that sits on top of an irresistible, tangy lemon filling.	Available year-round, it's also a winter holiday tradition and seasonal favorite, thanks to a rich caramel filling that is topped with plenty of pecans for a deep, nutty flavor.	Here a little coconut: shredded and blended with a vanilla filling. There a little coconut: toasted and mixed into whipped cream that tops it all.	You can't have a Thanksgiving dinner without one. It's equally at home on Halloween and New Years. The whipped cream we add during the holidays makes it the flavor of the season.	We start with a layer of our rich baked cheesecake in a graham cracker crust, add a layer of apple filling, sprinkle with butter crumb topping and finish with clouds of whipped cream.
						
Country Apple	No-Sugar-Added Apple-NSAPP	Blueberry	Cherry	Strawberry Rhubarb	Triple Berry	French Apple
Sweet, crisp apples seasoned to perfection with delicate cinnamon make this award winner an unforgettable treat.	Tart, juicy apples sweetened with natural fruit juices and NutraSweet instead of sugar.	The blues never tasted so good. One of our all-time favorites, this Fruitiabulous™ pie is bursting with plump, refreshing wild blueberries.	Stuffed tastefully in every slice between light and flaky and very delicious top and bottom crusts is a satisfying serving of juicy, tart red cherries.	It's a marriage of sweetness and tartness as strawberries and rhubarb come together to form a most perfect pie.	Mix plump blueberries, tart raspberries, and juicy boysenberries together and you've got a Triple Berry Pie that delivers pleasure to the third power.	We start with our delicious, traditional apple filling. Then we crown it with a rich butter crumb topping and bake it to sweet perfection.
						
Pumpkin	There's a secret to making a pie this tasty. It's the filling. We make ours from the finest ingredients and spice it just right. The result: a seasonal favorite that's loved year-round.

Lion Wayne Reigns before the Rain!

Lion President Wayne Deasy captured the 1st place trophy at the Elk Grove Lions Inaugural Mini-Golf Tournament on Friday, September 18 at the Marino Mini-Golf Course in Elk Grove Village, Illinois. The threat of rain didn't deter the eight hearty souls who kept the rain at bay until the final putt.

Lion Wayne finished strong with four pars on the last five holes. That fine finish allowed him to overtake Lion Mike Baumer by a single stroke for the championship. Lion Diane Millar, Lion Marilyn Koss, and Lion Katy Dolan Baumer all rallied with great second halves after starting slowly. Look out for these three next year! Lion Barb Lahtinen pitched in as our superb scorekeeper.

Congratulations to Lion Wayne, our first mini-golf champ, and Lion Mike, who brought home the 2nd place trophy! Thank you to all the Lions who participated in this fundraising venture.
