THOUGHT OF THE MONTH

April is tax month.
If you are having trouble filing your taxes,

hundreds of corporations -

Mt. Prospect Lions Club Cruise Night

The Mt. Prospect Lions Club Executive Board has voted to sponsor the Cruise Night formerly operated by the Downtown Merchant Association. The board agree to sponsor the Cruise Night for a maximum of one year. After one year it will be reviewed by the Board to determine if the Club should continue to sponsor it beyond the one year. The DMA decided that it did not want to be associated with the Cruise Night since their return on their effort was not as good as they expected. This sponsorship will require no financial help from the Club. However, it should be noted that the Lions that will be responsible to operate the Cruise Night have guaranteed the Club will receive \$5000.00 at end of this first year. The Cruise Night is every Saturday evening from May through October, approximately 20 weeks. If you are interested in volunteering to help a few hours every Saturday from 3:00PM until 9:00 PM, please contact Lion Chris Gordon either by phone (847) 226-5152 or by e-mail: chris.gordon1962@gmail.com. He will appreciate all the help he can get.

The Team Mate is looking for a Lion that would like to take over writing the our Club newspaper for next year and the future. The present editor will help the new editor get started. The time has come for some fresh ideas.

SMILE

One Easter a priest and a taxi driver both died and went to heaven. St. Peter was at the Pearly gates waiting for them. 'Come with me,' said St. Peter to the taxi driver. The taxi driver did as he was told and followed St Peter to a mansion. It had everything you could imagine from a bowling alley to an Olympic size pool. 'Oh my word, thank you,' said the taxi driver. Next, St. Peter led the priest to a rough old shack with a bunk bed and a little old television set. 'Wait, I think you are a little mixed up,' said the priest. 'Shouldn't I be the one who gets the mansion? After all I was a priest, went to church every day, and preached God's word.' 'Yes, that's true.' St Peter rejoined, 'But during your Easter sermons people slept. When the taxi driver drove, everyone prayed.'

Young Ernie and his family were invited to have Easter Sunday lunch at his grandmother's house in Monkey's Eyebrow, Arizona. USA. Everyone was seated around the table as the food was being served. When Ernie received his plate he started eating straight away. 'Ernie, wait until we say grace,' demanded his father. 'I don't have to,' the five year old replied. 'Of course you do, Ernest,' his mother insisted rather forcefully. 'We always say a prayer before eating at our house.' 'That's at our house,' Ernie explained, 'but this is Grandma's house, and she knows how to cook.'

After much urging from his wife, Sam was visiting the audiologist. Yes, he would like hearing aids and they would range in price from \$10 to \$2,000, was what he was told. "I'll try the \$10 pair", Sam said. The nurse placed the hearing aids into his ears and hung a wire around his neck. "Does the wire really have to be around my neck?" asked Sam. "Why of course" replied the nurse. "You thinks these things in your ears do anything?! It's the wire around the neck - it makes people talk louder!"

At the urging of Harry's wife and doctor. 50 year old Harry finally made it to the gym. After consulting with one of the trainers, Harry decided to try out a steep treadmill. "Ok", said the trainer, " I'm going to set it for ten minutes. If you want to go longer just press start again." At first Harry was doing fine but after 5 seconds he started getting tired and after a minute he jumped off gasping for breath. Walking to the side to sit down, he passed a friend of his. "Man" said Harry. I could barely last a full minute on the treadmill." "Alright alright" said his buddy, "no reason to brag!"
