THOUGHT OF THE MONTH

Love - a wildly misunderstood although highly desirable malfunction of the heart which weakens the brain, causes eyes to sparkle, cheek to glow, blood pressure to rise and lips to pucker.

Sometimes we make love with our eyes. Sometimes we make love with our hands. Sometimes we make love with our bodies. Always we make love with our hearts.

Give her two red roses, each with a note. The first note says 'For the woman I love' and the second, 'For my best friend'

All you need is love. But a little chocolate now and then doesn't hurt.

I don't understand why Cupid was chosen to represent Valentine's Day. When I think about romance, the last thing on my mind is a short, chubby toddler coming at me with a weapon.

SMILE

Jim asked his friend, Tony, whether he had bought his wife anything for Valentine's Day. 'Yes,' came the answer from Tony who was a bit of a chauvinist, 'I've bought her a belt and a bag.' 'That was very kind of you,' Jim added, 'I hope she appreciated the thought.' Tony smiled as he replied, 'So do I, and hopefully the vacuum cleaner will work better now.'

Mike walked into a post office just before Valentine's Day, he couldn't help noticing a middle-aged, balding man standing in a corner sticking "Love" stamps on bright pink envelopes with hearts all over them. Then the man got out a bottle of Chanel perfume from his pocket and started spraying scent over the envelopes. By now Mike's curiosity had got the better of him, and so I asked the man why he was sending all those cards. The man replied, "I'm sending out 500 Valentine cards signed, 'Guess who?'" "But why?" asked Mike. "I'm a divorce lawyer," the man replied.
