D1F Convention Sergeant at Arms needs a few Deputies

Lion Tom Lippert, the 2017 District 1F Convention Sergeant-at-Arms, is looking for a few good Lions who plan on attending the district convention March 10-12.

While you're at the convention, please consider volunteering for a day, or even a couple of hours, as an official "Deputy Sergeant-at-Arms." What's that, and what would you have to do ... you ask?

Under the direction of Lion Tom, you would assist with making sure our convention runs smoothly and is incident free. Deputies are needed when sessions begin. In addition to keeping attendees orderly, deputies are tasked with resolving any issues that may arise, or to assist attendees to get answers or service. During specified meals, deputies collect meal tickets and check for meal identification on name tags.

Deputies are also needed to help coordinate with hotel staff to ensure hospitality rooms are running smoothly and are locked up at the evening's end.

Of course, deputies also are needed to monitor the Sunday morning vote.

Need 2 to 3 Deputy Sergeant-at-Arms Friday night; 2 to 3 on Saturday throughout the day (in morning, afternoon, and evening time frames); 2 to 3 on

Sunday morning. If you'd like to be deputized, please contact Lion Tom as soon as possible via e-mail at tlippert54@gmail.com or by phone at [847-812-3727](tel:847-812-3727).

Call for Silent Auction Gifts & Services

District 1F requests a gift donation from each Lions Club in the District. The gift is completely up to each club.

In addition to gifts, the Silent Auction this year seeks donations of service. Among the Silent Auction items will be Gift Certificates for a wide variety of services, such as 2 hours of service from a certified electrician. So we're putting out the call to all Lions members throughout the District who are willing to provide some of their time in service.

Adoption of New Constitution for District 1F

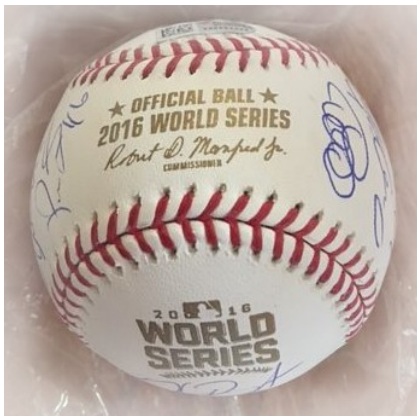

Lions Club International has issued a new Constitution and By-Laws, Standard District for Fiscal Year 2016-2017. The Standard form LA-4 has language that may not be changed, by any District, and via the Supremacy clause takes precedence over our current Constitution.

Our Constitution and By-Laws Committee for District 1F recommended that we incorporate the unique language from our old Constitution into the New Standard District LA-4 format and adopt this new Constitution at our District Convention in March.

The District 1F Cabinet agreed, and will submit a motion for consideration by the District 1F Delegates at the convention in March. The motion is for adoption of the New District 1F Constitution with the unique language from our old District Constitution that is permissible under the Supremacy clause.
