## FOOD FOR THOUGHT

Thinking about what to share for this month's newsletter it had come to mind, that we are a club of many clubs in our district.

When we have a fund raiser like our pig roast and we are asked to sell tickets to family, friends and other clubs in our district, I respectfully believe that we should also step up and attend other club's fund raisers.

I know we all have busy schedules and can't always attend other functions, but I think each member of our club could TRY to attend at least one fund raiser of a club in our district. In past years clubs would send out books of tickets and our club would buy a book, clubs do not send those out anymore. Lion Carroll Flood and I attended the Lake Villa Lions Pancake breakfast just a few weeks ago. There are a few members who seek out to attend other club fund raisers, please consider joining the few and attend at least one fund raiser in the District. We have Lions Clubs in our own back yard that have fund raisers the same time every year. We try to list them in our newsletter for information.

(It is better to give than receive)

## International is introducing New Global Service Framework

They will be: **Vision, Hunger, Environmental, Pediatric, Cancer and Diabetes.** They believe that these areas are in great need.

At the Centennial Convention they will be announcing Diabetes as a new Global Service, which results in 5 million deaths a year.

We will be sorting glasses at our next meeting on Monday, April 24th at 6:30 pm. If you are able, please come out and help. We want to deliver our glasses, hearing aids, to our Trustee before our State Convention in May so we receive credit.

Hope your Easter was wonderful, and look forward to our next meeting.

In Service, Truly

President Lion Pat Herman
