### Ben Pohl - Moti-Spirational Speaker

"Creating motivation through sharing inspiring life stories"

*"In a split second you could ruin your future, injure or kill others as a distracted driver - ask yourself...are you prepared for that?"*

Speaking out on the dangers of distracted driving is a personal passion on mine. Questions arise such as what makes you happy, what are your goals and how are you going to get there... my primary story revolves around distracted driving, but that is only one of many things I speak about.

*Secretary's Report* - continued.

*Lion Mike Baumer, President*

It seems that everything is eclipsed by the horrific event in Las Vegas. Every morning my alarm (my iPad) goes off at 5:15 am and I open up my electronic copy of the Daily Herald to read the news. This morning was especially somber as I read the list (which took 2 pages) of the dead from the aptly labeled massacre that happened Sunday evening. It was moving to read the breadth of the backgrounds of all the victims. It brings into focus how short our time and unpredictable our exit is from these earthly confines. Our Lions Club membership allows us to make this earth a better place. I thank God every day for his gift of every day and my God given abilities to do what I can to improve humanity's situation on this earth. I appreciate the effort that each of you exerts in helping our Club fulfill our destiny. You are all very special people in my and God's eyes! Know that you are loved and appreciated.

Last evening I had the pleasure to attend the annual Installation Banquet for the Streamwood Kiwanis Club in role as a Trustee for the Village of Streamwood. The club does many worthy things for the residents of my village. They completed their annual peanut days fund raiser last week. It is amazing to me how all three major service organizations are headquartered very near one another. Lions International is in Oak Brook, Rotary International is in Evanston, and Kiwanis International is in Indianapolis. We really are in the center of the service universe! No matter how bad things get in our world, we can rest assured that there are many service minded souls to make things better!

Next week is our tag day that we affectionately know as Candy Day. I know that Lion Diane has everything arranged so that we raise the funds to support the services of our Lions of Illinois Foundation. Let's make sure we support the cause and go out and 'shake our cans'!

Make sure you are at our dinner meeting on Wednesday, October 18 at Jimmy's. We will induct 3 new members, and have a wonderful program that you don't want to miss!

For those that are interested our first Zone Meeting of the year will be on Monday, October 16 at Jimmy's. Usual time for gathering and dinner.

## Glasses, Hearing Aids & S&S Update

We received three requests for eyeglasses and hearing aids this past month. Two phone numbers were disconnected, so we are waiting for them to call back; one did not qualify. On another note, a resident we recently assisted with glasses and hearing aids denied the hearing aids because they were refurbished. A refund would be issued from LIF.
