2018 Adopt-A-Camper

At Camp Lions of Illinois, some things never get old. For many of the children and adults who are deaf/hard of hearing or blind/partially sighted it may be quickly making friends as they share in the fun of swimming, boating, nature walks, archery, crafts, music, campfires, and more fun camp activities. The original idea behind Camp Lions still shines bright as campers learn that having a sight or hearing impairment need not limit them from any of life's opportunities. At Camp Lions, campers are encouraged to develop independent skills and to grow in ways that will help them in their lives.

Please adopt a camper to attend Camp Lions this Summer!

Help us so we never need to turn away any deserving child from the experience that Camp Lions can offer them. Your Lions of Illinois Foundation is asking every Lion, Lioness, and Leo Club to help by "adopting" at least one camper to attend Camp Lions with a donation of \$525. These donations will help to defer some of the total costs associated with our Camp Lions program including lodging, food, recreations fees, a nurse and qualified staff to care for and inspire campers.

A Thank You note with a picture of your camper, with a photo will be sent to your club along with our appreciation. Please be sure to specify the name of a particular camper in you have in mind to "adopt".

The Camp Lions of Illinois program was created in 1957 by the Lions of Illinois Clubs to be a gateway for summer camp fun for blind and deaf children. Camp Lions offers, free of charge summer camp with experiences provided for sighted & hearing youth. The word "no" was not in the thought process for Camp Lions. Just because a child did not have normal vision or hearing did not mean they were incapable of enjoying swimming, crafts, archery, team sports, nature walks, baseball, football, or even canoeing. Camp Lions allowed children, who were considered different to many in the everyday world, to belong to their own summer society. A gathering of new and old friends all peers with similar lives.

These same feelings about Camp Lions are stronger than ever today. Camp Lions is still a safe haven for deaf/hard of hearing and/or blind/partially sighted kids to spread their wings and their potentials. Campers still rush in at check-in and forget they left their parents standing. They are too busy, free to be themselves, talking with their hands, feeling that familiar grip or sound of a voice that identifies a friend or Counselor. The room is electric with dancing hands and sparkling smiles. And that is just the first few minutes of Camp Lions.

It is not awkward, no one will make you feel uneasy. There are ample hearing campers that sign and Counselors who will interpret for you. Talk to the children from your service area. Learn how really "ordinary", and yet exceptional, these campers are. Feel the gratitude they have for the Lions for giving them Camp Lions. Sit and enjoy a camp meal of hot dogs, burgers, beans, chips, all the eats one expects at summer camp, and the meal is FREE to all attendees. See all that the grounds have to offer for a fun, challenging, and safe program. Listen to campers stories of their lives at home, their family, and their dreams. They love to share - You are a Lion, a trusted friend.

Please, don't miss this afternoon in the park. Meeting the campers allows you to know & understand who you help serve through your support of Camp Lions. And yes, bring a friend or loved one, even children. I guarantee, each of you will have a wonderful visit not soon forgotten.

Call or email Lisa Kaczmarczyk to sign up for the Open House. If you plan on eating please ask for a dinner reservation.
