From the Presidents Den to the Gagewood Pride:

HAPPY HALLOWEEN!!!!!! Yes it is that time of year when all those ghosts and goblins, Princes and Princesses, Superheroes and Supervillains, children in costumes of all shapes and sizes come out to knock on our doors, "Trick or Treat." Not long now and the snow will be coming down and as you all should know that with snow comes The Gagewood Christmas Tree Stand. Yes Lion Todd will be needing all of our help with making this years' stand a great success. Our stand will be at the same location as it has been for years in the shopping center on the Northeast corner of 120 & 45.

But before we get going on the tree stand I would like all of us to help one of our newest members Lion Eric with our newest fundraiser Lawnmower Winterization Project. On Nov 11th we will be having this event to winterize lawnmowers and help raise money to help support our community service projects. Lion Eric will need all our help to make this event a success. I encourage all members to come out and have a great time.

Yours in Service,

Lion Martin J Reading, PDG
