SMILE

A blonde notices that her coworker has a thermos, so she asks him what it's for. He responds, "It keeps hot things hot and cold things cold." The blonde immediately buys one for herself. The next day, she goes to work and proudly displays it. Her coworker asks, "What do you have in it?" She replies, "Soup and ice cream."

I went down the street to a 24-hour grocery store. When I got there, the guy was locking the front door. I said, "Hey! The sign says you're open 24 hours." He Said, "Yes, but not in a row!"

A man is walking in the desert with his horse and his dog when the dog says, "I can't do this. I need water." The man says, "I didn't know dogs could talk." The horse says, "Me neither!"
