SMILE

Two blondes were in a parking lot trying to unlock the door of their Mercedes with a coat hanger. They tried and tried to get the door open, but they couldn't. The girl with the coat hanger stopped for a moment to catch her breath, and her friend said anxiously, "Hurry up! It's starting to rain and the top is down."

I work in a busy office, and when a computer goes down it causes quite an inconvenience. Recently one of our computers not only crashed, it made a noise that sounded like a heart monitor. "This computer has flat-lined," a co-worker called out with mock horror. "Does anyone here know how to do

mouse-to-mouse?"

A lady inserted an 'ad' in the classifieds: 'Husband wanted'. Next day she received a hundred letters. They all said the same thing: 'You can have mine.'

Shut Up and Trouble were walking down a path. Trouble got lost. So, Shut Up went to the police officer. The police officer asked, "What's your name?" He answered, "Shut Up." He asked again "What's your name?" "Shut Up." The police officer asked, "Are you looking for trouble?!" "Yeah, I lost him down a path about two miles ago."
