PUBLIC WORKS OPEN HOUSE

The Mount Prospect Public Works Open House was held on Saturday, May 18th from 9:00 a.m. to 1:00 p.m., and the place was jumping! Public Works always does a great job, and this year was no exception. The rain free weather seemed to bring in more people than in past years and this was attested to the fact that the Lions gave away a record 1800 hot dogs, up from 1680 last year. We actually ran out of dogs 30 minutes before closing. Our Tube Steak crew, Lions Carl and Don along with their new apprentice Lion Nick worked feverishly to keep up with the demand for hot dogs. The early birds were treated with coffee, cookies and sweet rolls handed out by Lions Armand and Tom. At around 10:00 our production line of Lions Kathy, Chris, Barb and a prospective member kept the buns and hot dogs flowing. Lion Bill and his wife Mari passed out the ice cold water and pop. Lion President Armand would like to thank all the members and volunteers for all the hard work they did to make this event a success.

LION OF THE MONTH

Lion President Armand Andreoni has selected Lion Bill Stroud as the Lion of the month for May 2019 for his outstanding work during the past year keeping our financial record straight. A well-deserved honor. Congratulations Lion Bill.

SMILE

The man was in no shape to drive, so he wisely left his car parked and walked home. As he was walking unsteadily along, he was stopped by a policeman. "What are you doing out here at 2 A.M.?" asked the officer "I'm going to a lecture." The man said.

"And who is going to give a lecture at this hour?" the cop asked. "My wife," said the man.

The New York Times, among other papers, recently published a new Hubble Space Telescope photograph of distant galaxies colliding. Of course, astronomers have had pictures of colliding galaxies for quite some time now, but with the vastly improved resolution provided by the Hubble, you can actually see the lawyers rushing to the scene.

A frustrated father told his work colleague: "When I was a youngster, I was disciplined by being sent to my room without supper. But in my son's room he has a color TV, computer, game console, cell phone, iPad and DVD player." "So what do you do?" The father replied: "I send him to my room!"

A beautiful woman loves to garden, but can't seem to get her tomatoes to turn red. She asks her neighbor, "What do you do to get your tomatoes red?" He replies, "Twice a day I stand in front of my tomato garden and expose myself. My tomatoes turn red from blushing so much." The woman decides to do the same thing. So twice a day for two weeks she exposes herself to the garden. Her neighbor asks, "How did it go? Did you tomatoes turn red?" "No," she replies, "but my cucumbers are enormous."

A man went to the doctor with a mystery ailment. The doctor asked: "Do you drink to excess?" The man replied: "I'll drink to anything."
