All District Coordinators, LIF Coordinators and Trustees, Committee Chairpersons, Zone Chairpersons and Region Chairpersons are invited to give a short report. If you cannot attend a meeting, please send a written report to be distributed to those attending and to be included in the permanent record of activities of the Cabinet members.

PLEASE NOTE: The Peace Poster Contest winning entry must be postmarked by District 1-F to LCI no later than DECEMBER 1. Therefore, there may be a special, short meeting after receiving the District entries after November 15 to judge and select the District winner or it may be combined with a late November/early December - 3rd Cabinet Meeting.. Please watch for this date.

We will have donuts and coffee at the morning meetings. Attire is Business Attire or Cabinet Shirts.

The March 12 meeting precedes the District Convention and the majority of information shared there will be specific to the Convention (attendance, proceedings booklet, elections, issues, etc.) and much of that meeting will be under the District Convention Chairperson IPDG Kathleen Marusich and the Vice Chairman Maggie Jabeck Committee report. Again, attendance by ALL is encouraged. (Light repast served.)

The June 20 meeting, the final Cabinet Meeting of the 2019-2020 Lions Year, will be a celebration of the actions and efforts of the District and thanks to all who made it a success. This will be a brunch or dinner at Parkway Banquets.

For Chairpersons Returning and New: Reports to be presented at the Cabinet Meetings are a brief synopsis of what your committee has been doing since appointment or since the last meeting. This can be anything from successes to challenges, to ideas brought forward, or numbers of Lions reached, etc. You can prepare a printed report (if you want me to print it, send either in a WORD document or PDF attached to an email or as straight text inside of an email message) to be distributed during the Cabinet Meeting, or you may chose to give an oral report during the meeting, or bring printed report **AND** give an oral report.
